

Membership Investment*

Formation is not a once-off event, nor is it a leadership development or training program. LeaderPrint is a sustained, ongoing journey.

Being part of the community will cultivate your Kingdom imprint in a way that empowers you to shape and transform your sphere of influence.

This is what it costs, and what you gain when you are part of the community.

Monthly Investment: *\$75.00 (USD) = estimated R1,200 (ZAR) per month*

Annual pre-pay option: \$825.00

**Applies to South Africa only. LeaderPrint investment amounts will vary and are linked to a COL variable in different countries and economies.*
